Dear Owner:

Enclosed is your personalized Ownercard that the Ford Motor Company is making available to all owners of 1967 Ford built vehicles. It shows an expiration date of two years from the date you purchased your vehicle. A new Ownercard will be reissued to you automatically on or about that expiration date on the basis of the Company's receipt of the required maintenance certification forms.

The Ownercard's principal use is to identify you as an owner of a Ford built vehicle and to establish the warranty status of your vehicle. Please check the Ownercard for accuracy of personal identification. This card should be placed in the clip provided in the glove compartment of your vehicle so that it is readily available any time you visit your authorized Ford Motor Company dealer for service. In the event of an error, or if you have sold this vehicle, please complete the reverse side of this card and return it with the Ownercard in the enclosed pre-addressed envelope. No postage is required.

Should you lose or damage this Ownercard or should you have a change in personal identification, or address, see your selling dealer or any authorized Ford Motor Company dealer and he will request a new Ownercard for you.

Conditions to keep your warranty in force are described on the back of the enclosed personalized Ownercard.

Sincerely,
Ford Motor Company

We take better care of your car

Things You Should Know About Your 5 Yr./50,000 Mile Car Warranty

- 1.** You are required to obtain certain maintenance services at intervals specified by the manufacturer, using quality products that meet the manufacturer's requirements. Failure to do this can void your warranty.
- 2.** Under the terms of all the 5 yr./50,000 mi. warranties, most of the required maintenance services may be performed by any competent service station.
- 3.** You must periodically present evidence to your New Car Dealer that required services have been performed with quality products at intervals specified by the manufacturer. Your Standard Station or Chevron Dealer will give you invoices as evidence that required services have been performed with quality products that meet the manufacturer's service and product requirements.

Chevron Car Care Service Recommendations, and RPM and Atlas Products Meet the Maintenance Requirements of All New Car Warranties:

**General Motors • Chrysler
Ford • American Motors**

FOLLOWING OUR CAR CARE RECOMMENDATIONS AND USING RPM OR ATLAS PRODUCTS IS CERTIFIED BY THE STANDARD OIL COMPANY OF CALIFORNIA TO MEET THE SERVICE REQUIREMENTS OF YOUR CAR WARRANTY.

If Your Car Is Not Under Warranty

A regular maintenance program is even more important. Your car will run better, last longer...and by keeping it in better condition, will be more valuable when you sell or trade it.
